

HEALTH & SAFETY AT WORK ETC. ACT 1974

Health & Safety Policy of Astral Electrical Ltd

General Policy Statement

Astral Electrical Ltd regards the promotion of Health & Safety measures as a mutual objective for all Employees and Sub Contractors. Our policy is to do all that is reasonably practicable to prevent personal injury and damage to property and to protect everyone from foreseeable work hazards. We aim to provide and maintain safe and healthy working conditions and systems of work for all Employees and Sub Contractors. We will provide such information, training and supervision as is needed by the Employees and Sub Contractors to perform their work safely and efficiently. Support, co-operation and consultation will be sought from clients, other contractors and others who might be expected to be included in such discussions and to this end regular health and safety discussions will be held. We also accept responsibility for the health and safety of everyone to include clients' employees, other contractors and members of the public who may be affected by our activities.

The company accepts responsibility for any affects our activities have on the environment.

The allocation of duties for safety matters and the particular arrangements which we will make to implement the policy are set out in the following documents.

The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way it is operated will be reviewed every year.
